

# WAYS Referee Agreement Form

USSF Referee Grade (circle):      8      9

Referee Name (print): \_\_\_\_\_

Phone # \_\_\_\_\_ E-Mail: \_\_\_\_\_

I would like to officiate during the Fall 2013 season for Wayland Youth Soccer. I understand it is my responsible to confirm my assignment schedule from the Referee Assignment web site, <http://www.refcenter.com> once it has been posted.

To be eligible for the Referee bonus at the end of the season I must remain a Referee in good standing. If I do not attend the preseason referee meeting, I must complete one additional game in order to receive the bonus.

If I am unable to officiate any game, I understand that timely notification is necessary for the re-scheduler to find a replacement. I agree to provide at least 7 days advance notice for any assignments I cannot honor. WAYS recognizes that emergencies arise that make adequate notice impossible such as injuries, in such cases, Referees will remain in good standing as circumstances warrant.

I agree to officiate all my assigned games unless I provide adequate notice through RefCenter.

Once I provide 7 days advance notice I understand I have satisfied the notification requirement and I remain in good standing as a WAYS Referee.

I understand I must arrive at my assignment at least 30 minutes before game time. I will be ready upon arrival to begin my pregame procedures, dressed in the complete and approved Referee uniform.

Referee Signature \_\_\_\_\_ Parent signature \_\_\_\_\_

(Parent signature is required for all Referees **14 years old or younger**. By co-signing this agreement you agree to the above terms on behalf of your son or daughter. You are expected to participate in confirming assignments and transportation as outlined above.)
