Playing Experience

University of Pennsylvania (Class of 1989)

- Men's Varsity – Middle Hitter, Coached by [Joe Sagula](#)
- Also 3 years of Varsity Cross Country and Track

30+ years of playing, both competitive (USAV) and recreational

Coaching Philosophy

My goal is for players to learn life lessons and build self-confidence through team play and competition... and I want them to have fun. My practices employ mainly game-like drills with lots of technical feedback and encouragement to make mistakes in pursuit of improvement. Most of the players I've coached have gone on to play high school varsity and many have played in college (divisions I, II, and III).

Education

University of Pennsylvania, B.S. in Computer Science, 1989
