

WHAT IS BUDDY BALL?

Originated in Spring of 2009, we will be entering our 4th season

- Created to give all siblings of DBYS players, regardless of any developmental, physical, or social issue, a chance to play baseball - like their siblings
- Open to all youth ages 4 to 21, most are from Daniel Boone School District
- Buddies, ages 9 -20, are matched with players to help assist their peers in the least restrictive way possible
- Friendships are created that last way beyond the baseball field
- Last season we had 24 players and 52 buddies
- 100% sponsor-funded program for all players and Buddies during our first 3 years, we hope to be able to continue this each season
- Coaches, Announcers, and Snack bar staff are all adults from the community who offer their time to volunteer so that parents can watch and cheer on their child
