## WINGS LACROSSE

**Dear Wings Families,**

Hello Wilmington Wings Families. Spring has sprung! The weather is warming, the days are getting longer, the flowers are blooming, and our lacrosse season is well underway. At this point, all of the teams have been assigned, all the uniforms have been handed out, practices have begun, and the schedules have been posted. Now the only thing left to do is to cheer for our WINGS athletes. Thank you all for your support. We are so grateful for our amazing WINGS families.

We strive to provide our families with the most up to date information through our website, Facebook page, and these monthly newsletters. Please read through this newsletter as it has lots of important information about spring season. Thank you!

## IMPORTANT INFORMATION

### Practice and Games:

Beginning April 2nd regular season games and practices begin. ALL TEAMS will start practices/games twice per week with one weekend game. Schedules are posted online under your TEAM info page, just log on and get all the information you need for the season.

In inclement weather situations we will post field closings on the website front page by 4pm. If your field is not listed then it is open, however your coach may decide to cancel practice. If that is the case they will get in touch with you as soon as they make that decision.

### Rules of the Game:

Every Wings player had to sign up for a US Lacrosse Membership. Not only does US Lacrosse provide us with necessary insurance for the fields and our players, but it is also an invaluable resource for our families.

Please check out their website [www.uslacrosse.org](http://www.uslacrosse.org) for Rules of the Game, safety information, events, & other great info.

### Picture Day:

Picture Day is COMING!! Your child's picture day scheduled time is listed on their team webpage (will be during a normal scheduled practice time, but your location may be changed). Please come to your picture day in full uniform (even if you are not purchasing pictures we like to get team shots and give them to our AWESOME coaches for a gift at the end of the year). If you would like to order pictures then you can print out a form [HERE](#) or you can order online by clicking [HERE](#) and entering code LAX16. And PLEASE PLEASE PLEASE do not stand behind the photographer to take your own photos!

### Friends Parking:

Many thanks for your cooperation and parking/dropping off/picking up in the Lower School lot ONLY when attending games and practices at Friends Turf or Boys Field. It is a complete and total drag to schlep up all of those steps, but they are lovely fields and we need to comply with the Friends School and the neighbors requests. Yes, it is more convenient to drop off at the upper lot, HOWEVER, the neighbors are watching and we

will LOSE our access to the fields PERMANENTLY if we do not comply. **NO FIELDS=NO WINGS.** Be cool.

### Managers:

We are in search of a few good men or women. We are still in need of managers for several of the boys travel teams. The duties are minimal, but very important to run a smooth season. You will already be there to cheer on your son (managers get prime seating and will always know the score of the game). If you are interested in helping out, please contact Alex Walsh at [awwalsh@hotmail.com](mailto:awwalsh@hotmail.com). Thank you!

## ARTICLE OF THE MONTH

---

We hope you enjoy our article for this month:

Safety in the game is our #1 priority. As the season ramps up, we want you to know that your child's safety is important to us. Wilmington Lacrosse Association follow US Lacrosse guidelines on concussions. Please read this very informative article from US Lacrosse.

[VISIT OUR WEBSITE](#)

Thank you for all of your support on and off of the field. We look forward to seeing you and getting to know you, your player, and your family better.

Sincerely,  
Wilmington Lacrosse Association
