Financial Reports

See financial report below. WSLA is still collecting seasonal registration fees before reconciling. There are still outstanding high school fees and a few youth programs. WSLA has also started to pay WWLUA.

Current Season

- Honor the game is being implemented at the youth level
- All games are being umpired without any cancellations due to umpire absences - there are 23 returning umpires with approximately 20 new apprentice umpires
- League Athletics and Arbiter are working well together on the schedule front

April 1st schedule deadline

The schedule was locked down on Friday – all programs have respected the April 1st deadline thus far.

Swing players

There have been many questions surrounding the amount of play time for swingers and the logistics surrounding having them on programs' rosters. Discussion ensued about the provision of program size and amount of swingers, process for identifying swingers and the overall purpose of swing players. The rules committee will be working on clarifying the provisions regarding swing players. A reminder email will also be sent out to coaches and program heads as a reminder about the current rules and intent of swing players.

Other

- The State Championship game is secured to be at Bellevue High School. Starfire has also been secured for the semi-final games. The events committee is working through details surrounding both events.
- All-Conference voting nominations review. There are various programs that are not partaking in the post game voting. The programs that are not complying have been contacted by email. Lyn Porterfield will be reaching out to programs that haven't taken care of their outstanding nominations by Wednesday, April 6th. Efforts are being made to ensure 100% participation.

Meeting adjourned at 10:36am
