Absent: Lyndsey, Jami

Meeting started at 7:40pm

Kate opened with thanking board members for work during the 2016 season. Reviewed success of season, league accomplishments.

WIAA: discussion ensued around boys petition to WIAA. Kate made a map of all the programs in WSLA and how they would be affected based on their size, geography, etc. We need to look ahead and help our programs prepare for WIAA as it is on the horizon

Age Verification: WSLA currently does this by grade not age. USL is encouraging leagues to move to age verification. Need to discuss as a board what this transition would entail. Discussion ensued around youth teams for 2017 if agree to be a test pilot for age verification from USL

Magnusson Park: they are building an indoor lacrosse facility at Magnusson Park

Seatown Classic: Save the Date! Army Women vs. Cal and Army Men vs. Michigan

Move into Executive Session  
Out of Executive Session

Social Media/PR: Discussion around Chapter Facebook and Twitter pages. Facebook is branded as USL Washington Chapter but only posts about boys and twitter is called Washington HS Lacrosse. Both are run by Mike McQuaid and WSLA has created Facebook and Twitter pages for the girls league. Need to iron out the content that is posted on the chapter pages as the chapter still represents both boys and girls

6/7 League Meeting: Hold meeting with breakout sessions to discuss 1. Competitive variance 2. Geographic growth 3. Scheduling at different levels

Meeting adjourned at 9:10pm
