

Welcome to Huntington West Little League!

We are one of the very few and fortunate leagues to have multiple fields to play and practice on. Most league events are held at our Robinwood field location. Games may be played at both locations. Farm and Tball may be scheduled on any of the fields.

**More detailed maps and parking areas are located on pages 2 and 3
Parking rules and field guidelines are on page 4 – Know the rules so you don't get towed!**

HWLL PARKING GUIDELINES AND PROCEDURES

Westminster Fields Parking Rules

No parking in the lot near the Majors field without a permit or handicapped placard.

WHY?: This parking lot known as the "teachers lot" is limited. There are still teachers that work at the school who come in to work on Saturday and work late on the weekdays. Permits are limited to umpires (who are working a game that day), team managers (sorry coaches), board members and handicapped vehicles. Many spaces near the Majors field should be avoided due to flying baseballs. This severely limits the parking spaces in this lot. There is plenty of parking at the front of both Finley and Johnson schools.

No yellow zone parking during the week (Saturday and Sunday OK).

WHY?: During the week there is after school daycare until late in the afternoon. Parents and vendors still use the yellow zone to pick up their kids from school. The school has asked us to not park here during the week on school days.

No parking in the alley or blocking field access gates (fire access).

WHY?: The alley and field access gates need to be clear for emergency vehicles. This is the main access to fire personnel to get onto the field in order to deal with fire or injury to a child. Parking in the alley will not allow a large fire truck to pass through.

Bethany Church Parking Rules

No access to the parking lot at Bethany Church during the week or Sunday.

WHY?: Bethany Church has graciously allowed us to use their parking lot on Saturdays. They have school during the week that runs into late afternoon and also church on Sundays. Every once in a while they have an event like a wedding, funeral or other program on a Saturday that will not allow us to park in their lot. Those dates will be emailed and also listed on the website.

No jumping the fence between the parking lot and the field.

WHY?: This is just common sense. The gate is locked for a reason. More than likely you weren't supposed to be using the parking lot that day. Doing this can cause the church to stop allowing us to use their parking lot.

Parking on Saturday is OK except for the following dates this season due to church events: TBA

Robinwood Fields Parking Rules

No parking on the grass.

WHY?: This is not a valid parking spot and you may get a ticket from the city.

Do not move the red cones to park. These are for our umpires.

WHY?: We try to reserve some parking for umpire volunteers. You know how hard it is to get them.

Westminster and Robinwood Field Guidelines

No drinking alcohol at the fields.

WHY?: For the biggest reason is it is illegal and sets a bad example for the kids.

No tobacco products allowed near the fields or on school property.

WHY?: This is Little League and school policy (even when no school is in session). This includes vape products.

No dogs (or pets) allowed near the fields or on school property.

WHY?: This is a safety issue. Not to punish Fido. School policy also forbids pets on school property (even when no school is in session).

Please clean up your trash at the fields and parking lots.

WHY?: We all should use common courtesy to keep it clean.

HWLL is not responsible for damage to vehicles in the parking lots.

WHY?: Common sense is you don't park your vehicle close to flying baseballs or you take the chance of a dent or broken window. We can't be responsible for someone's lack of common sense.
