Director's updates

House Baseball:

- Rain Line vs Website. We have decided to post rainouts on the website. The director will keep in touch with the coaches and need to remind parents to watch site.
- Sponsorships – Kevin and Shawn updated us on sponsors for house teams. Instructional and Minors are covered. Working on more tball sponsors. Have a couple businesses interested that we will assign to available teams. Will compare current sponsors to previous years to help find additional sponsors.
- Uniforms are ordered and practices have started. We have around 300 players participating this year
- Some issues with late registrations throwing team count/scheduling. We are adding a tball team and will utilize Banner for practice.
- Umpire Clinic will be held. We will raise pay to \$20 behind plate/\$15 bases
- Coaches will check out the scoreboard controllers from concession stand and return at end of games.
- Repaired sponsor signs are ready and will be picked up
- Discussed possibility of doing vinyl signs for sponsors of the 2 majors teams since they can't be printed on their shirts.
- Encouraging teams not to do team snack and to utilize concession stands
- The position of Field Scheduler is still open

Work Day:

Work day is scheduled for the weekend of the 19th/20th. Rake, fences up, paint dugouts. Need to send out eblast and post on site to get volunteers.

Concessions:

- Snow cone machine has been purchased for \$400. Feedback is positive
- Additional updates (hot dog steamer, cheese dispenser, etc) are major improvements and fans seem happy
- Discussed trying to get cheerleaders or dance groups to work concessions for tournaments. We would make donation to their group for working.

Old Equipment/tool boxes:

We decided to sell them on craigslist or ebay

New Business:

Larry informed us that the Village has given 1 stall of the Morton Building to Dunlap Rec & JFL to share.

JFL wants a relationship with Dunlap Rec to start working together on improvements to NorthPark, etc.
