

LSLL Fall 2020 Refund Policy

In alignment with our communications during the pandemic, LSLL is committed to offering players the opportunity to safely play baseball. We are also cognizant as to the burden registration fees have on the finances of our families. As we have all year, we strive to balance that burden with our fiduciary responsibility to ensure the financial solvency of the league itself. To that end, LSLL has devised the following refund policy for our Fall 2020 season.

1. If the season is cancelled due to COVID after uniforms are purchased but before September 20th then all families will receive a refund of their registration fee less \$50 – the approximate cost of the uniform purchase for each player.
2. If the season is cancelled due to COVID between September 20th and October 4th then all families will receive a 50% refund of their registration fee for each player.
3. If the season is cancelled due to COVID after October 4th then no refunds will be issued.

Important dates to be aware of this season:

- a) Practices will begin on/around August 22nd
- b) Games will begin on/around September 8th
- c) The season will end on/around October 31st
