Philosophy

The VES Sports Camp provides basic instruction, supervised recreation, and fellowship in sports and games for boys and girls age seven to thirteen. In all that is done, the emphasis is always on the development of positive, healthy sportsmanship and competitiveness in a fun and spirited fashion.

Staff

The Camp Directors are Bob Leake and Jocelyne Frazier. The rest of the staff is composed of adults familiar with working with young people and counselors in the high school to college age range. The ratio of camper to counselor is 8:1. Most of the staff is experienced with Sports Camp. All have a real desire to make the experience for each camper fun and rewarding.

Sports and Activities

Campers are divided according to age group (7-8, 9-10, 11-13) with regard to participation and learning. Campers receive daily instruction in the fundamentals of basketball, soccer, lacrosse, and track. In addition, there is time each day for instruction in tennis for interested campers. Intracamp competition within these sports as well as various contests and sports-related games are part of each week's activities. Camp begins each morning at 9:00 and concludes each afternoon at 3:00. The campers should arrive between 8:45 and 9:00. They are to be picked up promptly at the conclusion of camp. Counselors will be in the parking lot to assist with both the arrival and departure procedures.

Facilities

Sports Camp is located entirely on the campus of Virginia Episcopal School (VES). It has full access to all of its athletic facilities: soccer and lacrosse fields, eight tennis courts, King Fieldhouse (1 basketball court), swimming pool, and Philip L. Van Every Athletic Center (indoor track and basketball facility). Lunch breaks are held in the air-conditioned Banks-Gannaway Dining Hall and most breaks take place in Van Every (also air-conditioned).

Lunch

Each camper brings their lunch. Sports Camp will not provide any food for the campers. Water and lemonade will be available for all campers. Lunches are placed within the refrigerators of the dining hall as the campers arrive in the morning. Thus, individual coolers are not necessary.

Clothing and Equipment

Regular play clothes with sneakers are suitable for a regular day of camp.
