## **Corporate Sponsorship Packages**

Corporate sponsorships are an important piece to the fundraising efforts of the Moon Area Lacrosse Club. The corporate sponsorships along with other fundraising efforts are used to help reduce registration fees to our student athletes, provide uniforms for our athletes, pay for our coaches, pay for referees, pay for emergency medicine and pay for transportation for the away high school games. These corporate sponsorship packages will allow you to get double the exposure compared to other high school sports. Your business will be highlighted at both the boys and girls games. This year particularly is important for corporate sponsorships because some of our normal fundraising events had to be postponed because of Covid-19. So please take this opportunity to help support our local lacrosse club and gain exposure in the community for your business. You also have the ability to pay for exclusivity in your current line of business. We thank you for your support and look forward to working with you in continuing the tradition of Moon Area Lacrosse. Please direct any questions to Adam Eubanks at [adam@eclipsepta.com](mailto:adam@eclipsepta.com).
