

LACROSSE NEW PLAYER PROGRAM

ProPlayer Supply would like to help the leagues and their new players get good equipment in their hands with the least amount of hassle. We have developed a program where the league can offer a starter set on their webpage for sale at the time of signups. This will help the parents get good equipment in the hands of their kids without having to search all over town or the internet and not knowing what to get for their son or daughter.

We have partnered with Debeer/Gait to provide the starter kit for your program at a reasonable price. Your program can sell it for the stated price or mark it up as a form of fundraiser for your program. We are currently working with Cascade to also be able to offer a helmet for the boys in this program. The starter kit would include for the boys: stick, shoulder pads, arm pads, and gloves. For the girls: stick, goggles and stick bag.

This program will allow the first year parent to get the proper and needed equipment into their child's hands before the first practice, with the ease of purchasing at the time of signups. There would be minimal additional work for your league registrar. Your program would contact us with your orders about 4 weeks prior to your parents meeting. We would then order all the equipment in at that time, separate, and come to your parent meeting to pass out the equipment to the parents. We would also at that time be able to take any additional orders from parents who did not complete their order at signups. We would provide your program with invoice for all the equipment ordered. Equipment would be priced with tax included. There would be no hidden costs in the program (i.e. shipping).

Boy's Equipment

1. Bedlam blackout stick--This is a very durable and excellent beginner stick. \$49.99 retail
2. Gunnar shoulder pads, arm pads, and gloves—The Gunnar pad is not your starter set pads. It is well constructed and protective. Gait's beginner set series is their Icon series. \$120 retail

League price: \$132 this includes tax

Girl's Equipment

The package below is a prepackaged deal by the leader in women's lacrosse DeBeer.

1. Impulse stick
2. Vista goggles
3. Stick bag
