Player passes and coach passes will be **NOT** checked prior to ALL games this season unless further clarified.

If a coach wishes to challenge the eligibility of a particular player, they are to inform the referee **BEFORE** the game or at HALFTIME. A player pass for the challenged player is to be provided by the team. That challenge is to be documented by the referee on the game card. Use of an illegal player will be grounds for a forfeit as well as other sanctions by the league.

Guest player(s) must be declared prior to the match or at halftime to the referee and the opposing head coach.

Players may be substituted during a game as follows:

At any stoppage in play at the discretion of the referee.

If a player for the opposing team is at the mid-field flag waiting to be a substitute when the team that is awarded a throw-in or corner kick has a substitute to enter the game, the substitute for the opposing team may also enter the game. Generally, if the team that has been awarded a throw-in or corner kick does not have a substitute, then neither team may substitute a player. **HOWEVER**, if the team taking the throw-in or corner kick does not elect a quick restart on a throw-in or corner kick or if the ball has gone sufficiently far from the field, the referee, at his/her discretion may allow a substitution by the opposing team.

Substitute players must stand at mid-field on the team's sideline and wait for the referee to beckon them onto the field.

A player **MUST** be replaced if the match is stopped for an injury or if bench personnel come on to the field to tend to an injured player **UNLESS** the player is the team's goalkeeper or in the event a team has no substitutes available.
