 3. **There should be more practices / coaching at the lower age groups**
 4. **Consider a coaching clinic for the younger age group coaching staff**
 5. **For T ball – consider splitting the 6 year olds that have played T ball previously into a coach pitch league**
 6. **Continue to emphasize to the coaches to better understand the rules and to adhere to the GELL house league rules (infield requirements, try to pitch all kids, etc)**
 7. **Division commissioners need to continue to work closely with coaches (e.g., if it is raining, be involved with coaches regarding cancellation, fixing the fields, etc. Be engaged with the coaches early in the season, including call-ups.**
 - b. District tournament team debrief
 - i. **Successful post season – of the 6 district teams, 4 teams finished in 2nd place in the district**

c. Tournaments hosted debrief

i. 50-70 International

1. **Overall successful tournament – need to consider formalizing the volunteer process earlier (e.g., press box, field assignments, etc). GELL finished 2nd**

ii. Finegan 9 year-old tournament

1. **This was the 20th year of hosting this tournament. Overall a success – however, the tournament is a two week tournament – therefore, it is extremely important that younger player families participate (for example, 3 of the other GELL D28 teams were playing while the Finegan tournament was ongoing).
