To all Minor Clubs in the New York area,

We are very excited about the upcoming Scór na nÓg competition this year and we would like to see an input from all Minor clubs in the Tri State area whether it be one entry or all eight entries. Every club should be able to enter a solo singer or recitation act etc. no excuse. We are confident that there are many girls and boys out there that would love to be given the opportunity to get up on stage and sing, act or dance. Please make the effort.

Scór is a GAA competition that combines all the colour and rivalry of Gaelic Games with the social/fun element of Ireland's traditional past-times. The competition was established by the GAA in 1969 with the aim of promoting Ireland's traditional pastimes and culture while offering club members the chance to meet up, have fun and represent their club during the winter months while Football and Hurling had ceased.

There are eight events/disciplines in Scór that cover all aspects of Irish culture:

1. Figure/Céilí Dancing
2. Solo Singing
3. Instrumental Music
4. Recitation
5. Sean nós Dancing
6. Ballad Group
7. Novelty Act/Léiriú
8. Set Dancing

The Scór Na nÓg competition is for young people under 17.

We hope that your club will have interest in this competition as it is a fun way of giving children a chance to get together, learn about Ireland's traditional past-times and culture while demonstrating their talents and representing their local club.

Mol an óige agus tiocfaidh sí!

Please tick the relevant boxes for the categories your club wish to enter into Scór na nÓg 2017.

Clubs are encouraged to enter as many events as possible to be in with a chance of winning Club of the Year.

Price for entry per club is \$200
