

# Arapahoe Youth League 2012 Schedule Requests

This form is used to request specific no play (bye) dates. This will allow teams to schedule around school or religious functions, out of town tournaments or other events that would prohibit a team from playing a game on a scheduled play date throughout the season. There are no bye requests for A & AA National.

AA American Teams may submit up to 2 weekends (Fri-Sun) no play date weekends.  
AAA/Majors Teams may submit up to 4 no play date requests.

Schedule requests must be submitted to your club delegate by **Monday February 22, 2012**. Schedule requests must be submitted in ADVANCE of preparing the schedule. No schedule requests beyond this date will be granted.
