WELCOME

First of all, on behalf of all our club members, I would like to extend a warm welcome to our American visitors today.... Shoreline FC. I hope your stay in England has been a fascinating one and hope you will take back home to the States memories that will last a lifetime.

Today is a special occasion, not just for this touring side, but one for ourselves, in the fact that this is the first time in Golborne Girls FC history that we have played against international opposition.

Today is not about winning, I would say that both teams have already done this by being able to play one another....No... Today is about building a bridge between our countries in the world of girls soccer. Golborne Girls Football Club were established in 2003 by a local lady by the name of Jackie Walton.

She spearheaded the idea of putting together a girls football club in the area for girls aged between 6 and 16 years old... Without the boys!! Last year we celebrated our 10th anniversary and in this time the popularity of girls football has grown and grown.

Steve Nathaniel became part of the club a couple of years after Jackie when he brought his daughter along to training. The same daughter (Sian) who is now in the team for today's game.

Since Jackie hung up her boots some 3 years ago, Steve has continued to work endlessly at the club and has done a fine job ensuring that GGFC has gone from strength to strength, year in year out.

Golborne Girls FC now have teams in 5 age groups and some 60+ members... Not bad for a small town just outside Wigan.

I myself have been at the club since introducing my daughter at the age of 7. She is now coming up to 12 and a valued member of our under 13's squad.

It says a lot for a club that most members who do join, actually stay with the club year after year.. after all.. It's not just football... It's fun!!

On a finishing note... to all.

Have a great game of football today... Win lose or draw, keep smiling and most importantly... Enjoy.

Shoreline FC... Have a safe journey home and thank you for taking part.

Graham Leyland,
Golborne Girls F.C.
