Of the  
Baldwinsville Boys Lacrosse Booster Club  
Wednesday December 10, 2014

**SECRETARY'S REPORT:**

Secretary's Minutes were approved

**PRESIDENT'S REPORT:**

**HUDL**

Purchase – Currently Football pays \$1500 and the 4 next to sign up pay \$400, then the rest pay nothing.

Collaborative purchase – Hugh has found that 8 or 9 of the other teams are interested in HUDL so next year's cost would be down to \$300 or \$400 each

Basketball will share the iPad mini for video recording

\$400 has been approved for this year

Ford fund raising – No report

Practice Shorts – Hugh will check with Matt and vote via email

Scrimmage Refs – School is saying that the Booster Club needs to use the group of refs used for games which are more expensive than using Earl or similar. The Club would need to pay \$600 for 2 scrimmages. The Booster Club found this extremely unacceptable and Hugh will go back to the AD to discuss.

**COACH'S REPORT:**

Pinegrove is going well.

Want to pay Coach's stipend prior to Christmas. ½ now and ½ at the end. Voted to approve payment - Allocated \$1400 for Coach's stipend

Pay Pinegrove \$10,600 – there will be a \$1000 from BYL

Need to have boys sign in at Pinegrove to reconcile the payments

Next year possibly reduce the rate for second/third kids from the same family
