PRESIDENT'S REPORT:

Apparel Store : all orders should have been shipped, no complaints thus far.

Scholarships : all applications are in.

BYL Practice Night: Took place 4/28; all seemed to go well, we had more kids than expected. Feedback was good, will plan to do again next year.

BYL Half-time event: will do again. One note: length of field may have been too much and might want to look into having additional goals brought down to field and having players play widthwise; will be able to get more players on the field if do this way.

Senior Night –went well; posters, food, video; Tim Dwyer and Team did a great job.

Senior gift Team - (12)- jerseys are in; name and number on the back; Greg got graphtex to do; will be given to the person coordinating the gifts

Lincoln Motors - Driven to Give- went well; don't have a final count yet; should be \$2500-\$3000 best estimate

Picnic-information has been sent to players, date change; Limp Lizard catering (less than \$5 per person).

COACH'S REPORT: see attached

TREASURER'S REPORT: checking acct \$11,230.92; has \$1500 to be deposited; we have a number of outstanding liabilities; barring anything Mike missed we should end season with approximately \$5000; will end up in a good place going into summer. Next meeting will let us know how much concession made for the year.
