Shooter Shirts – Shirts came in; paid for by Nike

Scholarships - Forms should be at guidance office. Hugh will mail out to the seniors and they will have 3 weeks to get applications in. Last year we gave out 6, \$250 scholarships.

Senior Night - Tim and Margaret Dwyer signed up to organize this; Hugh will reach out to them. Mary has thorough notes on what was done in the past to give to Hugh to pass onto this years organizer.

Senior gift Team - (14) - one parent signed up at meeting to do this; Frames have been ordered; Greg getting jerseys from Graph-tex

Lincoln Motors - Driven to Give - Hugh contacted Burdick; should hear more soon (approx. 3 weeks prior). Chad to be point person on this event.

Picnic - June 11 Baker cafeteria; couple thoughts floating around on this... 2 picnics this year? One for JV and Varsity and other for modified teams? Also consider having caterer do the entrees; could use website for getting more accurate count on numbers coming. Michele felt that we should keep it as one picnic, because the younger players

look up to the Varsity players and there aren't many opportunities for them all to be together. The rest of board was in agreement, so we will stick with one picnic.

HUDL - Matt has loaded some clips from the games; any questions on what has been loaded need to be directed to Matt. Mary stated that it doesn't seem to be 100% up and running. Hugh will discuss with Matt and maybe suggest he talk to Tim Soloman as to how he uses HUDL for basketball.

COACH'S REPORT:

Matt was unable to attend. Per notes that he provided Hugh, the shooting shirts are in and were paid for by Nike. He plans on having a 5 week summer camp for 9-12 graders from June 30 thru July 30, with a 1 week camp in the middle for the younger kids; more information to follow. The varsity team is good to go on the clinic 4/28 with BYL. Matt wanted to also say thank you for the support so far and that all the goals they have set for the season as still achievable.
