Coach's Report 9/9/15 Booster Club Meeting

Intro:

- First, thank you for everything you did this past season.
- As a program we are off to a good start but plan to get that much better this season.
- This year we plan to build and fine tune things from last year. We've really built continuity as a whole (Youth-Varsity) from the summer of 2014-present.
- However, we've just scratched the surface of where we want to be as a program and still have a lot of work to do (Player/coaches clinics, progression of coaches after evaluation, summer player/alumni league).
- For myself (I'm my biggest critic)... I decided to stop coaching JV basketball to put direct focus on the lacrosse program (attending college practices, meeting with college/top out of state HS coaches, on field workouts, strength and conditioning workouts, summer weightlifting program).
- We believe that we should win a sectional championship this year!

Fall Lacrosse Program:

- We will start Monday Sept 21st and end on Thursday Oct. 22nd (Mon-Thurs 3:30pm - 5:30pm @ Palmer). No practice Columbus Day.
- Strength and conditioning workouts with Jack Korzop (OCC Men's Lacrosse Trainer) on Tues and Thurs. He is charging us \$50 per 1 hour session. Usually charges \$75 for other programs.(\$500 total).
- Around 30 players signed up (\$25 each). That number should increase.

Fall Varsity Lacrosse Tournaments:

- Lemoyne- Sun, Oct 11
- FM- Sun, Oct. 18
- Cornfield Classic- Sat, Nov 7th

Tournament roster will be made for all three tournaments. An email will be sent to any player selected. This will allow them to see what tournaments they can play in and other players we might need for each tournament

Winter Lacrosse Program-Pine Grove (Sunday):

- Nov. 15th - Feb 21st; 10 total workouts
- Coaching Clinic on February 28th (10-12 graders to attend to demonstrate drills/schemes/etc.)

- No workouts on 11/29 (Thanksgiving Break) 12/27 and 1/3 (Christmas Break), 2/7 (Superbowl Sunday), 2/14 (February break)
- Morning Time... Thoughts?? Matt will look into getting a morning time block; if not available he will shoot for same time as last year.

Apparel Orders:

- I will be in contact with Nike within the next week. I then will discuss with the senior players any items the varsity team wants to order (they will pay) and get back to you ASAP.

Varsity Home Games:

- Looking to use Field #7 for home games. That is what the senior players requested. Talked to Chris about it.
