Board voted to accept the new GLYSA website

League Athletics will extend trial period extra five days. We can pay by check (\$650) and have to cancel the old website.

Board members to create uniform email addresses for GLYSA Board correspondence using the format: first initial, last name, glysa @ yahoo.com. Example:
mpickettglysa@yahoo.com.

Mike Pickett will do Facebook page.

Link to NMTW and Monster Masks must be displayed on GLYSA website. Can we advertise on their websites?

Advertisers: We want paying advertisers. Different prices for different sized ads. Advertising will be contracted on a yearly basis.

Steve will get prices for site marketing

Pee Wee Team:

Board voted that there will be no Pee Wee team for 2011/2012.

Board acknowledges that it “dropped the ball” regarding the effort to contact second year squirts at registration and by personal letter asking their interest to play up to the pee wee level for the 2011-2012 season. We did due diligence to get Pee Wee team. Letters not sent out and it was deemed too confusing to send them out late.

Mites/Dues/Bills:

Discussion to raise the cost of in-house and reduce the cost of mites. In house is hook, learn to play is the hook, which?

In-house has to sign up for full session or remainder of session if they sign up after session has begun.

Put payment coupons on website instead of emailing for easier access.

We have plenty of receipt books for use at LTP.

Early Season Cookout:

Weekend after Labor Day? To be discussed further at July meeting

Equipment swap will take place @ the cookout

Equipment: Order/Turned In/Jersey Refund:

Equipment is still out there.

Do we need socks, pucks, water bottles, in-house jerseys?

Goalie equipment: At least two parties have yet to turn in their borrowed equipment. Talk to Kazanjian and Caprigno to get their goalie equipment back.

Skills/LTP:

Approved Bob Ware at the May meeting.

Contract submitted but board will review and edit. Tom Roche will collect email recommendations for contract and put together draft. Input due by June 11th.

Concerns about ratios. Will clarify.
