**Canton (5-0, 9-3)**

**Strength:** Quickness, football savvy

**Top players:** Junior FB Marcus Sanders, RB/LB Jake Wickens, OT Devin Obrec, LB Jalen Cochran, S Jared Stephens, LB Jake Stephan, C Ben Phillips, DT Tommy Evely.

**Outlook:** Coach Tim Baechler said expectations are high but the Chiefs need to sort out the QB position between three candidates to replace multi-school-record holder Greg Williams. "I like the kids we have on the offensive line and we have two starting running backs returning, so offensively I feel real good. On defense we have a lot of smart, quick kids on the front seven. If we stay healthy I feel really good about where we're at."
