

Terms of use for the Grapevine League Website

The purpose of the Grapevine Website is to disseminate information about the league, wrestling and individual teams within the League to the general public and participants within the league.

Each team will be given a unique login ID and password that the team is responsible for safeguarding. Teams should restrict the use of this ID to a specific individual(s) to safeguard against misuse of the League's website and a team's page.

By signing this agreement, the team agrees to the following:

1 – Pornography of any kind is not to be shared, distributed, posted or used through the website. The team also agrees to not use the site as a porthole or by any other means to distribute, collect or display any kind of pornography.

2 – Teams may post individual pictures of their wrestlers but can only use the First Name of the child only; no last names are to be used.

3 – Teams that post pictures of their wrestlers must first obtain written permission from the parent or guardian of the child prior to posting any photo, picture or likeness of a child. Teams must maintain a copy of these waivers and be able to produce them if requested by the League.

4 – The team may post tournaments, practices, matches and scrimmages on the team's calendar. Event's that are not specifically endorsed, promoted or sanctioned by the league must have a disclaimer with the posted information. Ex: "This is not a Grapevine League sponsored event".

5 – Teams should use the website to disseminate information specific to the team. Link's posted on a team's website that redirect a user off the League's and teams website must first obtain approval to post any link. Ex: You may not post a link to USAWrestling.org, or any other website link without prior permission.

6 – Teams are not permitted to use the League's website as a means to criticize, defame or make public statements against the League or any other team within the League. Teams agree to waive their first amendment rights in use of the website.

7 – Teams are not permitted to advertise, link, promote or endorse any other league or group other than the Grapevine Youth Wrestling League.

8 – Teams may, with prior approval, post fundraising events and links on the team page of the League's site.
