

District 57 Little League Challenger Baseball Registration

The Challenger Division of Little League Baseball is a program for mentally or physically disabled youth who are not able to participate in regular Little League Baseball. The philosophy of the Challenger program is to provide an avenue for a structured athletic activity for all youth in the community. The idea is for “every run to count, every child to count,”

District 57 Little League has Challenger teams for mentally or physically disabled youth ages 5 – 18 in many cities to serve your child. To sign up, please contact your local Little League organization where you live. The following leagues have Challenger Teams for the 2014 Season.
