

AYL Player Transfer Request Form

This form is required to be completed by each player requesting a transfer from an Originating Member [club from which a player wishes to transfer] to a Receiving Member [club to which a player wishes to transfer].

Please download this form from the website, complete all the information in as much detail as needed and obtain the Originating Member Club President's signature. Submit the executed form to the AYL. The AYL will then forward on to the Receiving Member Club's President for review and execution. Execution of this document is affirmation that the transfer was agreed to by both Member Clubs.

In the event the Originating Club declines the transfer request and the dispute cannot be resolved between the two different clubs, the player has the right to submit the dispute to the AYL for determination.
