Transition Lacrosse is a group of NJ High School coaches who love the game of lacrosse and believe in spreading the spirit of the game. Our intent is to offer quality playing opportunities for high school players (grades 9 thru 12).

- Our emphasis is on teaching players the skills needed to be successful and recognize opportunities within the game.
- We have seen too much playing and not enough teaching.
- We believe experienced coaches matter.
- At the **youth level**; our teams will compete locally enjoying a rich lacrosse experience, while keeping cost manageable.
- At the high school level the emphasis changes to college exposure and recruiting. Helping our players find the right college fit, both academic and athletic. When appropriate we recognize the benefits of a Division 3 placement, over a Division 1 reach.
- We are excited to bring these lacrosse opportunities to players in south Jersey.
