

HILTON HEAT SOCCER CLUB

SEPTEMBER 2011

Dear Hilton Heat Soccer Families:

The club is currently working on updating the overall look and feel of our logos, website and team gear.

Check your email inbox for an important survey regarding the new club logo. Surveys will be sent out the third week of September.

The Hilton Heat Soccer Club is an all volunteer organization that has been in existence since 1978. As a club we are firmly committed to developing youth soccer skills while also promoting good sportsmanship. The club is made up of 18-20 age-specific teams; our almost 300 local kids range in age from 9-17. We are tremendously excited about the upcoming 2012 season because of many positive enhancements. Your club fee includes a training jersey and a full uniform; which consists of 2 jerseys, a pair of shorts, and a pairs of socks for each player. Uniform sizing/try-ons will take place in November.

Additionally, our club provides each team with 24 weeks of indoor practice time at no additional charge. For our younger developmental players (U9-U11) the club provides 12 weeks of technical skills training. For the older age groups (U12-U17) the club will underwrite a significant portion of the cost of a competitive indoor league. All of these indoor training sessions will take place at the newly renovated DMS Dome, located in Parma, NY. Winter training will begin in November. Outdoor training usually begins in late April, weather permitting of course!

In June, the Club will be hosting the 20th Annual "Just for Kicks" Soccer Tournament at the Parma Town Park in June. Proceeds from this tournament provide financial support for indoor practice time, field maintenance and equipment. As you can imagine the hosting of a tournament is a challenging project. Every player's parent/guardian will be requested to help out during the tournament weekend. Our tournament director will notify coaches and team managers of the dates and times for planning meetings. Please consider volunteering to serve on the tournament committee; the more people involved in the planning process, the better the results!

The HPSC Board has carefully evaluated expenses for the upcoming season and we are pleased to be able to offer one of the lowest club fees in Monroe County. The 2012 HPSC membership fee has been set at \$350 per player, (\$20 tryout/registration fee and a \$330 Club fee). As a continued commitment to families, we will continue to offer a family discount; this season we have increased the discount to \$20 for each additional player from the same family.

We look forward to seeing you on the fields, and we hope you have an enjoyable season!

Regards,

Russell Wood – President
Ethan Spelman- Vice President

The Hilton Heat Soccer Club is always looking to add volunteers; team managers, coaches or board members; If interested please contact us at hiltonheat02@gmail.com

Uniform Sizing / Try-ons

Uniform sizing will take place during the first three training sessions at the DMS dome, November 3rd, 5th and 6th.

It's important that we receive sizing information for all players at this time. Any sizing information submitted after November 6th will delay individual players from receiving their training jerseys.
