

Coaching Code of Conduct

Policy

Coaching is a privilege offered and granted to individuals who perform capably during NYSWYSA sanctioned and affiliated associations' activities. It carries with it an obligation for each individual coach to uphold and promote the stated goals and objectives. Any conduct considered unethical or a conflict of interest shall be subject to discipline by RDYSL or the Hilton Heat.

Hilton Parma Soccer Club Philosophy

The Hilton-Parma Soccer Club is organized with the expressed intention to promote the enjoyment of the game of soccer. We expect our players to develop character, a sense of fair play, sportsmanship, and a life long love for the sport of soccer.

The primary emphasis for the younger age groups (U12 and under) is to teach soccer. Pursuant to this is the general rule that each team will carry a full roster, except in unusual cases and then only with the Board of Directors approval. Each player will play, on average, at least one half of each game, and he/she will have game experience averaging one half of the total season's game time (assuming that the player has regular attendance at most of the practices and games).

In the older age groups (U13 and up), the emphasis will shift to development of teams that will produce the most competitive play. Each player can expect to play a reasonable amount of time (to be determined by the coaches) and there is more flexibility on the size of team rosters.

Our goal is to prepare each player to compete and find success at the High School Varsity/ Premier/ College level.
