Club Announces New Director Of Coaching & Player Development

March 1, 2012

The Heat officially welcomed Steve Christenson to the Organization as the new Director of Coaching and Player Development. Steve comes to us with years of experience

working with coaches, and evaluating players and coaches of all skill levels.

Steve's main objective will be to work with and steer the development of our coaches, develop player training sessions, and to help design and coordinate annual tryouts.

Please join us in welcoming Steve to the Hilton Heat Soccer Club!

Club News

Hilton Heat Families:

The calendar says March, and although it didn't feel like much of a winter, it is hard to believe that our indoor season is winding down and we will be looking to get our teams outdoors in the next few weeks.

This has been a very active indoor season in many ways for the Club. We have completed our Board of Director's transition with the placement of Dan Lane (Girls U9 Coach) as Vice President and our most recent addition of Steve Christenson as our Director of Coaching.

Teams have been fully engaged in training and we've seen some very good showings in the indoor leagues. It can be challenging at times as the kids get back into training and getting prepared on the field for a new season, but as I have watched team practices, I notice one common theme- the kids having fun playing and continuing to learn the game of soccer and playing with their respective teammates.

We are primed for another great RDYSL season of soccer. As a Board, our next endeavor is supporting Dave Angarano, our Tournament Director, to pull off the 20th Annual Just for Kicks Tournament and make it the BEST tournament in our area! We are always looking for willing volunteers to help and appreciate all of your support as parents.

As always, the Heat Board of Directors thanks YOU, the parents, for your commitment to your kids passion to play the sport they love and the support you give to our Club. We are always looking, as a Board, to provide the most positive experience across all age levels, keeping the experience of your children in mind.

Have a great 2012 season,

Ethan Spelman
 Hilton Heat President
