Just For Kicks Tournament

Anyone interested in helping with setup on Friday morning or take down on Sunday evening please contact the tournament committee at: tournament@hiltonheat.com

Hilton Heat Families:

The long cold months of winter seem to be in the past, fields are being set up, kids are getting excited, and we as a club are getting ready to get the 2013 season officially underway! We appreciate all of your efforts and commitment to getting your kids back and forth to the Dome each week and hope like me, you have seen the growth and love for the game of soccer only grow in our kids.

This is an exciting time for all. Once the games officially begin in a few weeks, the kids will have an opportunity to put all of their hard work on display. The key thing to remember is this game, although competitive, is made to be fun. As parents, Coaches, or Managers we are asked to help facilitate a positive, respectful environment and I am sure we will see that.

I look forward to seeing you all out on the fields this Spring and Summer!

Yours in Soccer,

Ethan Spelman
Heat President

Just For Kicks Tournament & Festival

The 2013 'Just For Kicks' tournament is quickly approaching.

New this year

This year we're excited to have expanded activities for families to enjoy during our tournament weekend. We have a variety of between game activities including food & snacks, soccer merchandise, a raffle to win a Chelsea FC Jersey, bounce house, soccer speed challenge, and lots of other chances to win prizes and gift certificates.

Fund-raising deadline May 8

We are asking all families to help with either getting a personal ad, a business card ad, or reaching out to friends or families to help us with corporate sponsorships.

The tournament is our only fund-raiser of the year. Sponsorships and community support are key to us being able to create the experience of soccer long term to your children and in our community,

As with every year, we have given each team a goal of helping to raise \$500.00 through sponsorships and corporate support and we need your help to make this happen.

Please visit the website www.hiltonheat.com and through the tournament link, find the sponsorship forms and options available to help.

Please join in helping us make this years tournament a great success.

Ryan McPhee Field Dedication

Please mark your calendars for Wednesday night, May 15, 2013 at 7pm. As a club we will be formally dedicating and renaming Field 4 the Ryan McPhee Field. The McPhee family will be in attendance and you ALL are more than welcome to come and show support and celebrate the formal recognition and remembrance of a boy who's spirit lives within our club and community each and every day.

Ryan would have been playing with the Boys U19 team this year and we as a club feel this is the best way we can show our long lasting support and love to the McPhee family who have done so much for us.

Hope you all can be there for this meaningful time for us that knew Ryan or have played and lived in his spirit.

Thank you for all of your support!
