

2018 WYB K-2nd GRADE BASKETBALL GAME RULES

Ohio High School Basketball rules apply, with the following modifications:

Games:

1. All participants must play a minimum of half the game.
2. Scores are not kept.

Turnovers/Violations:

3. Call turnovers and violations only against the team you are coaching.
4. You don't need to call every little travel, double dribble, and 5 seconds. Stop play for "teachable moments". This should be for significant travelling and double dribble, and after 10 seconds for a normal 5 second call.

Defensive Rules/Restrictions:

5. Only man-to-man defense is permitted.
6. Double teams are not permitted.
7. Help defense is permitted and encouraged.
8. Backcourt defense (i.e. full court pressing) is not allowed.
9. Stealing off the dribble is not permitted.
10. Stealing of a pass is permitted.
11. Reaching in to tie up the offensive player with the ball prior to them dribbling or immediately after dribbling is not permitted. The only time a jump ball can occur is on simultaneous possession on the catch of a pass or a rebound, or on a loose ball situation when the ball is on the ground and two players have simultaneous possession.
12. Blocking shots is not permitted. Teach your players to guard a shot with both hands straight up.

Fouls:

13. Call fouls to make sure play doesn't get overly physical.
14. On all fouls, the team that was fouled should take the ball out of bounds. We will not take time to shoot foul shots.
