

Southern Tide Uniforms Ordering Instructions

Fall 2018 Club Level Team

- We have a process for ordering uniforms.
 - Ordering the uniform will be your responsibility. You will pay the vendor directly and they will ship the uniform to your home. We use Zima Gear. It usually takes six weeks to process.
 - Ordering is time sensitive so please make sure you do it well before the window closes.
- <https://www.zimateam.com/collections/southern-tide> is the link you will use to order uniforms.
 - Order window is **August 1 – August 10 only. The window will close. Please do not wait.**
 - You will be asked the size and number for your uniform. Be very careful around the #. There is a box that you place your reserved number in to order. Make sure it does not default to a number you do not want to pick.

If you do not see your name pick 3 numbers that are not taken and send me an email and I will confirm that you can order that number and I will reserve it on the list.

- Sizing
 - Find a friend with a uniform and try on their uniform. We will offer an opportunity for sizing at a local park but your best bet is to find a friend with a uniform and try it on for sizing.
