About the Baseball and Softball Factory

Little League® Baseball and Softball has designated Baseball Factory as the Official Player Development Partner of Little League Baseball®. Baseball and Softball Factory will work with Little League® to encourage sportsmanship, fair play and teamwork, while developing the skills of each player in order to promote future on-field success. Baseball Factory and Softball Factory is widely recognized as the top, hands-on player development and college marketing services in the United States. More than 5,000 players from Baseball Factory have been selected in the Major League baseball amateur draft, with more than 375 of those players going on to play in the Major Leagues. In addition, Baseball Factory has assisted players in obtaining more than \$1 billion in scholarships, and 75,000 of our players have gone on to compete at the college level. Softball Factory currently has over 1300 players playing at the college level including in all of the Big 5 conferences.
