The actual costs of coaching, competition fees, promotion, events, awards, busing, supplies, operational expenses, and our annual robust gear package to the OWA is around 500\$ for Middle School, 300\$ for Youth, and 100\$ for Cheer participants.

The following agreement between the "Parent/Legal Guardian/Financially Responsible Party" and "Owatonna Wrestling Association" is to serve as a binding contract & payment schedule. Violation of the terms of this agreement, will result in immediate removal of participation in our programs, until the total balance is paid. Additionally, any costs associated with our gear package & wrestling competition packages will be charged to your OWA account and must be paid before any future registration may occur.
