What's New

1. There is now a gear exchange section on our website (bottom of right column) . If you have gear you have outgrown and wish to donate, you can post it online for others to claim. We will also be donating any unclaimed gear to the Uganda lacrosse program at the end of March!
2. We have a live forum section on the website, you can use that area to begin discussions with other Crescents!
3. We will have a store set up at the tent with equipment and all the Crescents gear you know you want. There will also be snacks for purchase at the tent!

In case you were wondering... (frequently asked questions)

Can I come try it out before I sign up?

You can try it this Sunday and borrow gear, then register officially (we know you'll want to!).

What type of shoes should my athlete have?

You can use turf shoes, cleats and sneakers. We play on turf and grass. On some turf fields cleats work, on some they don't. Sneakers are all purpose, but find something with ankle support!

I need to find a ride for my child, who do I ask?

Contact your team manager, they can try to help!
