Notice To Applicant:

The LLGSL considers all umpires to be independent contractors. This means that the LLGSL will not hold back any amounts from the money owed to you in order to pay taxes. You will be paid by check. In order to be paid you will need to fill out a time sheet, which the LLGSL will give to you. The LLGSL cannot pay you until your time sheet is filled out. The amount will be based on the number of games you work, and whether you work alone or with a partner. You will not be paid for games you do not work. You will be loaned certain equipment to use during the season. Examples include a plate brush, ball/strike counter, and face mask. The equipment that is loaned to you is in good condition. You will need to return the equipment at the end of the season. The equipment should be in good condition. If it isn't returned in good condition; or, if you do not return it at all, the LLGSL may not pay you the entire amount owed to you. Instead, the LLGSL may hold back some of the money to replace the equipment. Please speak with your parent(s) about the above notice, and be sure you understand it before signing the below statement.

If I owe taxes, I know that I will have to pay them, as I am not an actual employee of LLGSL.

I further acknowledge that it is my responsibility to return all equipment, gear or other items loaned to me for my use during the season. Those items are listed below, and my signature means I received these items in good condition. I will return them in good working order. I realize that, if I do not return the items; or, if I return them in poor or non-working condition, the LLGSL can withhold the replacement value from any money due to me.

I have read and I understand the information above.
