

# Upper Valley Rowing Foundation Scholarship Application

Through the generosity of donors, UVRF is able to offer a limited number of partial scholarships to UVRF participants, scholarships may cover up to 50% of the program fee. Briefly respond to the following six questions and forward your application to the Chair of the UVRF Scholarship Committee, Rowan Carroll (email: [uppervalleyrc@gmail.com](mailto:uppervalleyrc@gmail.com)). All applications will be treated confidentially. UVRF Board Members and their families are ineligible for scholarships.

1. Please provide the following contact and demographic information (name, address, phone contact info -- home, work, cell, preferred email address, sex, date of birth, occupation).

2. Briefly describe your experience with and / or interest in rowing.

3. Please state what UVRF program(s) you hope to participate in this season.

4. What is the dollar amount of the scholarship request (an amount that would make it feasible for you to participate in rowing this season)?

5. Would payment in full for the program(s) of interest present a financial hardship for you? (A simple yes or no is needed here; we do not at present request supporting documentation.)

6. Are you willing to commit to volunteer service for UVRF this season? (A variety of opportunities are presented to members throughout the season through our email list; we expect all members to participate, and expect that scholarship recipients will be generous in their volunteerism.)
