...from our League Commissioner

Welcome to softball baby! Last year was a year of challenges for WESA and through the hard work of the Commission and its membership, 2012 looks to be an outstanding year.

A huge step forward has been made this year. For the first time ever, WESA will be operating on two fields at one location on Sundays. This may not seem like a big deal at first glance, but bringing everyone together again will help reinforce the social bonds that are key to WESA.

I encourage you to make new friends, catch up with old friends and expand your network. WESA's biggest strength is its members... so mingle boys and girls!

If you have questions or suggestions, I challenge you to speak up; send an email to the Commission (Commission@WESA.net); discuss the topic in person. The WESA Commission is made up of volunteers who are giving back, who are trying to make WESA a better organization, and we need you to participate.

Let's have a great season of ball! Let's challenge each other on the field and enjoy a beverage off the field for an outstanding and unparalleled 2012 season!

Scott Fullerton ~ WESA League Commissioner 2009-2012

...from our Vice Commissioner

Dear membership, I wanted to take a moment to welcome all 53 new members of this season and, of course, all of the returning ones to what is shaping up to be another fantastic season of WESA! Every member of the Commission has been working hard to put together another fun-filled ball season. We hope that you will enjoy every moment, meet new friends, and make lasting memories for the years to come! I am looking forward to seeing everyone out on the field! Have fun!

New Commission Positions

At last year's Annual General Meeting, three new positions to the Commission were approved: a Technology Commissioner and two Members-at-Large, one each for the C and D divisions.

Sheldon Gibson is our new Technology Commissioner for the 2012 Season and he is responsible for the league's website and all technical services including SMS (text messaging), email, domain, etc.

The need for this position has been extremely important as the league's website has been long overdue for an overhaul in its functionality! Check out the new website at **WESA.net** which is live as of Opening Day! Great work Sheldon and the Commission!

Although not a responsibility of this position, WESA is lucky that Sheldon is also a graphic designer by profession. He has refreshed our logo and has high graphic standards. You may have seen his work in past newspaper ads, posters seen around town, and WESA Pageant collateral. We look forward to Sheldon's further contributions this year. In a future issue of *The Dusty Bag* Sheldon will update us on the upgraded website.

Both Members-at-Large positions, Yves Moisan for the C Division and Greg Elzinga for the D Division, will be integral to the league as they serve as liaisons for the membership and the Commission, elected on an annual basis. If you have any questions, comments, suggestions, please feel free to talk to either of them and, -of course, to any other member of the Commission. We always welcome any questions, suggestions & comments.

Justin Q. Mui ~ WESA Secretary 2012

...from our Membership Commissioner

Wow, it's been a whirlwind these past few weeks. Registration went so well and the draft is done. I am finally getting some time to breathe, and reflect. It's incredibly exciting to see so many new faces this year. Mind you, it's just as exciting to see so many return. I've been so lucky to see the league grow tremendously over the last couple of years, and with a D Division waiting list of 14 people right now, this year is no different! We've had people moving up from D to C, and new people coming in to fill their spots, and you can feel everyone's excitement. Now that the draft is done, I have a chance, as your Membership Commissioner, to welcome you to a wonderful organization.

To those of you returning to the league, whether it be for your second, or twenty-second year... it's totally awesome to have you come back and play with us for yet another season. I hope you continue to enjoy your time with WESA and that you continue to grow as people and as athletes. I would also ask that you take the rookies under your wing and show them what a great group of people WESA really is.

To all of you rookies that have joined our ranks this year. Congratulations on your first step! You've come across what I think is one of the most incredible groups of people in the area. I've talked to a few of you and you've mentioned being incredibly nervous. You really don't have to be. You've been drafted to a team, and you're going to meet some great people. You'll have ups and downs throughout the season, but I have no doubts that you will have a great time overall, and you'll never forget your first season with WESA.

So, with that, I welcome you to WESA's 34th season. Have fun, make new friends and play ball!

BATTER UP!! Welcome to the 2012 season of WESA! This will be my 4th season playing and my 1st working behind the scenes helping everything come together as your Special Events Commissioner. I have to say that planning a season of softball is no easy feat for the Commission: from getting the teams put together, sorting out fields and all that equipment, securing sponsors, making sure there is money for all of it... well you get my drift. It's been a an incredible amount of time and energy, but I'm enjoying working with all the other Commissioners making it all happen! Now that the ASS kissing is all done... My job this season is make sure we ALL have fun in the process!

We have some new and exciting things coming up for your Special Events this Season. First off, The Opening Day Party will be held at The Junction right after the last game is played; there will a BBQ, flamboyant entertainment, and of course beer!

Throughout the season I would like to have a Social Supper Club meet at one of our sponsors once a month (stayed tuned for more details). Then there's our annual Super Sunday Picnic in the Park (June 10th) with an exciting special scrimmage game; and the Annual WESA Pageant which is turning 25 this year (the first one was in 1987)! To celebrate we are bringing it back to when it all started... "The 80s!!!" So get ready teams with your contestants and lip-sync it 80s style with songs from the 80s only! We'll be in the Pride Parade again too so I'll need lots of volunteers to walk with our entry this year!

These are just a few of things we have planned for this season!

If any of you are interested in helping out in any way don't be shy and let me know! **PLAY BALL!**

WESA 2012 Sister Teams

What are Sister Teams? Simply put, Sister Teams are teams from each division grouped together to foster a greater sense of fellowship by:

- going out and cheering for each other when not playing;
- supporting each other socially to build camaraderie amongst players who would not normally have frequent opportunities to mix during play;
- getting together for at least one Sister Team Party throughout the season; talk to your Coach/Manager about this and or help organise parties/BBQs/communal facials/etc.;
- hosting gatherings at our Sponsors' to support them as well as provide the the teams that have Team Sponsors who do not have a suitable venue somewhere to go to; and
- promoting and supporting each other for any fundraising efforts that individual teams might be doing for the NAGAAA Gay Softball World Series should they become eligible for a berth.

The five WESA 2012 Sister Team 'Threesomes' are:

1	FIVESIXTY (C)	Score On Davie (D)	Steam 1 (D)
2	Dahl & Connors (C)	Pacific Spirit (D)	PumpJack Pub (D)
3	Numbers Cabaret (C)	Priscilla's on Davie (D)	Sotheby's Realty (D)
4	Koss (C)	Fountainhead Pub (D)	Vancity (D)
5	The Junction (C)	bed (D)	TRG Realty (D)

Please reach out to your fellow Sister Team players and plan some fun times together!

Why the Move to Strathcona Park?

Many members have inquired as to why the Commission has moved the Sunday games from Brockton Oval over to Strathcona Park. This process started last year, although last year we did have scheduled games at both Brockton Oval and Strathcona on Sundays.

The main reason for the move is actually quite simple: WESA needs more fields; and there is only one field in Stanley Park with no other softball fields in the West End. WESA has continued to grow and as more teams are added, this means additional fields are needed.

Last year there was a perceived feeling of separation in the membership, as half the league would be at the other field on any given Sunday. One of the biggest reasons why people join WESA is for the social aspect of meeting new friends and hanging out with established ones.

This year, WESA has been very fortunate to secure two fields at Strathcona on Sundays! This means that all of us will be at the same location again allowing for greater mingling between players, teams, and their cheerleaders. This season will see an increase of seven Super Sundays on the game schedule where all 15 WESA teams will play throughout the day at the same location. A big change from last season's two Super Sundays because we were separated. It was really luck that made this move possible which started with multiple emails and phone calls from the Commission to the Vancouver Parks Board. The process continued with dozens of emails that the WESA Membership, Sponsors, and friends of WESA sent to the Parks Board about the field bookings. Still further emails and hours of phone calls wrapped up the process to ensure that two fields got booked at Strathcona for WESA.

The Commission would like to sincerely thank all Members, Sponsors and Supporters for their contributions to making this possible. While it will be sad to leave beautiful Brockton for games on Sundays; gaining an extra field, not having to pay for parking, and not having park access issues (due to the many events hosted in Stanley Park) will generally not be missed.

Let's make the WESA's 34th Season one of rebirth for connecting and expanding your social circles and supported all teams in both divisions!

WESA 2012 Spring Training Camp 2 for Rookies at Douglas Park ~ Sunday, March 18, 2012.

WESA 2012 Sponsors Update

Sponsorship is extremely important to WESA's continued health and well-being and we all benefit from all of our sponsors' support. Sponsorship contributes to keeping membership fees lower and includes subsidizing field permits, Umpires, insurance, team jerseys, and lots of softball and field equipment. Those are just a few important things that WESA needs so the league can operate over 300 regular season and play-off games at three fields for 210 members during our short 13 week season. Bottom line is this: if we didn't have Sponsors supporting WESA, your membership fees would increase by approximately \$100 more per person!

As always signing up Sponsors is a challenging feat, a responsibility that is presently tasked to our League Commissioner. Many hours of phone calls and emails back and forth to returning and prospective Sponsors have secured our Sponsors' line-up for this season! The downside is that not every Sponsor returns for various reasons including tighter economic times, changes in marketing direction, etc.

Despite this, WESA has gained some additional great new Sponsors for this season: **bed** (locally made bedding), and **Koss** (headphones) are new Team Sponsors. **Pacific Spirit Therapeutics** (owned by WESA member Robin Perry, RMT pictured-on-left) returned as a Team Sponsor after a year hiatus (they previously sponsored a team in 2010), and **TRG Realty** (The Residential Group), which was a League Sponsor last season that took over the Team Sponsorship of VancouverDowntownRentals.com; both companies are from WESA member Kip Smith pictured-on-right. Additionally we have some fabulous new League Sponsors too: **Bruce Ward Realty**, and **Smirnoff and Smirnoff Ice**.

Some of our returning Sponsors are also long time supporters who have come back year after year to sponsor WESA such as Team Sponsors **Dahl & Connors Lawyers**, **The Fountainhead Pub**, **Numbers Cabaret**, **The PumpJack Pub**, **Steam 1**, and **Vancity**; and Returning League Sponsors **Brockton Clubhouse**, **Eric Hoppe Registered Physiotherapist & Urban Active Sport Therapy Clinic**, **Glenhaven Dignity Memorial**, **1181 Lounge**, and **Xtra!** Additionally newer returning Team Sponsors: **The Junction** (you'll often see owners Vince Marino -in the picture with Scott- & Steve Bauer of The Junction and PumpJack Pub out cheering at games), **Priscilla's on Davie**, **Score on Davie**, and **Sotheby's International Realty Canada**. Lastly, **Club FIVESIXTY** has returned as our Diamond Sponsor and is also a Team Sponsor. WESA proudly welcomes them all back!

For our bar, lounge, and restaurant sponsors; it may be easier for them to physically see our support, but all of our Sponsors are SUPER important and it is encouraged that every one support them all as much as they can by considering to use their services, purchasing their products, and telling their friends and family about their support.

Check out the article about our new Sponsor Raffle Campaign further in this newsletter for exciting details on how you could win some fabulous prizes!

In closing, please let all of our Sponsors know that you are a WESA member and that you totally appreciate their sponsorship and support of WESA! We could not operate as we do without their important support for them we are very appreciative!

Ask Mz. WESA

Dear Mz. WESA, As part of your 2011 reign, I heard you suggested some new rules for the upcoming season. Is that true? Yours truly, Curious George.

Dear CG, Absolutely! First of all... clothing optional dug outs! Then Infield chatter must all be in the form of a question; and lastly, reach a base... do a shot! The Commission has discussed it, but are all hung (jury that is). I'll keep you posted Sweetie!

Hi Ms. WESA, I'm new to the league and I want to know what's the biggest decision that I have to make on a day-to-day basis when I'm ready to play ball? Love always, Undecided.

Dear Undecided, it's super EASY! Cleats or Heels! That's all!

Dear Mz. WESA, I'm not sure what position I should play on the field. Do you have any suggestions? Sincerely yours, Positionless

Dear Positionless, Although I like to pitch, everyone likes a good Catcher! Consider that Honey!

Have a question? Email them to: Communications@WESA.net

Stay tuned for more of Mz. WESA's fabulous advice in the next issue of the Dusty Bag!

I have coached in a mixed league as well, where we won the playoffs. **Coach motivations / goals?** To contribute to an experience for myself and others; To go to the World Series; To do our best. To win the playoffs; To not let Joe Roche win the playoffs; and to see people self actualize. **Coaching talents / skills / etc.** Positive firm leadership... and acceptance and understanding. **Fond WESA memory?** How supportive the Commission was when I had to suspend three players from my team one year. **Secret?** I like to emulate rhinos... no, no, not that... I have a huge fetish for tattoos and men with big muscley bellies. **Alter ego?** "Johnny be bad". **Last thought?** I like to share my life... my time and most of all my bed!

Rhonda Hoffman

TRG Realty | D Div.

Heywood Wu

Club FIVESIXTY | C Div.

Hobbies? When not playing softball, I like to sleep on the sofa. **Career?** I'm a federal government worker but due to my security clearance I can't tell you what I do. I could tell you, but then I'd have to kill you. **WESA Member since?** Joined in 2005. **WESA Coach since?** This is my first season as a WESA coach. I have coached before but it was a junior high school girls softball team. So not too different as I see I have a few ladies on the team already! ;) **Coach motivations / goals?** My goals as coach is to do something that has never been done in WESA. Triple Crown. First in regular season. First in play-offs, and the Miss WESA Crown! Seriously though, having fun is the first part. Playing well, seeing the team and players improve over the season would also be great and no ambulances showing up at our field at any time of the year. **Coaching talents/ skills/ etc.** I organize things pretty well so I hope that we will at least be prepared!! I've played many years and seen a lot of games so I hope to bring that to the team. I'm pretty easy going when it comes to softball though. **Fond WESA memory?** Playoffs a few years ago, I'm

on second base, a runner on first. A ground ball is hit to third and I run thinking I can jump over the ball. Mid jump I see the third baseman charge in for the ball. I can't jump any higher, I'm in the air already. He doesn't see me, clips my legs and I land on my shoulder and arm knocking the wind out of me and my elbow crushed under me bruising my ribs. I played the rest of the games with a lot of Tylenol and my ribs wrapped up. Couldn't bat after that and could hardly throw. That guy playing 3rd?? John Ruffo. I drafted him just to sit him on the bench all season for that play years ago! All season Ruffo!! Riding pine all season baby!! **Secret?** I used to live and work in Japan. One semester I got sent to this one Jr. High School where they had a baseball team. As a teacher I can elect to join and help out with a school club and I wanted to join the baseball club. At the beginning of each semester they have an assembly for announcements and to meet new teachers. So I got up in front of the entire school and gave them the speech that Kevin Costner taught Tim Robbins in the movie Bull Durham, "I'm just happy to be here, hope I can help the ball club, I'll give it my best shot and the good Lord willing things will work out". It was hard not laughing while doing it. **Alter ego?** Wile E. Coyote, Soooooo Genius. **Last words to share?** This is the best league I've played in. The support, the friendship all tempered with competition. I hope to continue the tradition this year.

...from our Membership

We thought it'd be interesting to ask our membership, new and returning, what WESA means to them or why they joined, here's what some of them said:

Thomas Williams ~ D Division New Member

I first heard of WESA through a friend of a friend, after sharing with them that I was looking to join a sport for fun. Preferably I was looking for a gay league because I figured it would be a good way to meet good people in a healthy environment. Being from Surrey, I didn't have very many gay friends, or have anywhere to meet other gay men to be friends with, so when I heard of WESA I thought it was the perfect opportunity to not only have fun playing baseball, but meet great people at the same time.

So far, I can't say I've been disappointed! This is a great group of guys, and I'm stoked on finishing the season with them. Cheers!

Craig Littlejohn ~ D Division Returning Member.

In the spring of 2004 a friend called and asked if I wanted to join softball with him and although I was hesitant, because of my lack of experience, I went for it and was glad I did. In the 8 years I've played, I've become a better ball player, met a lot of great people, and have memories that will last forever. In the last few years some of us have put together a tournament team that we travel with. We try to get somewhere warm through the winter, and have travelled to places like Phoenix, Las Vegas, Portland, and Seattle. Sometimes we win and sometimes we don't, but we always have a good time. Through the league I've also had the opportunity to go to Columbus for the NAGAAA Gay Softball World Series which was an amazing experience. I'm really looking forward to another fun summer playing ball with my friends.

Pam Shikatani ~ "This Ain't No Plenty of Fish: Ruminations from a female WESA D Division Returning Member".

Why do you play in WESA? Because I'm looking for the love of my life and I'm too cheap to pay for online dating. **How has that been going for you?** In a league of predominantly men I can't profess much success unless of course you count the post Miss WESA Pageant encounter with a buxom drag queen and a bottle of tequila... umm, er, next question. **What are your hobbies?** Sleeping, napping, procrastinating, and tormenting Pat King. **Most asked question from your team mates:** Do you need a runner? **What do you hope for the future?** That as I get older, and gravity takes its toll, that I don't trip over my boobs when running to first base and injure myself. **What would you like to share about yourself with the other members of the league?** If you thought dealing with my P.M.S. was bad wait until the menopause kicks in!

Marnie Franklin ~ C Division Returning Member

The 2012 ball season will be my 2nd season in the WESA C Division. When I moved here from San Francisco a couple years ago, I missed my softball friends and my connection to the gay community. I decided to join the WESA league last year to make new friends in Vancouver and enjoy the game of softball. I didn't know anyone the first day I showed up to my first "try out" and felt a little out of sorts (as I was the only woman that day practicing with the C Division players), however it didn't take long before I was tossing ball with the guys and enjoying their company. Al

Crawford was especially welcoming to me the first day and ended up drafting me for his Numbers team last season. I enjoyed playing on the Numbers team and met a lot great guys. I will be playing on the Numbers team again this season and am looking forward to getting out on the ball field and having some fun!
