

2013 season online sign-up guide

PLEASE NOTE: A SUCCESSFUL REGISTRATION WILL GO THRU 2 FORMS (SEE STEPS 4 AND 5) AND SEND YOU A CONFIRMATION EMAIL. AFTER COMPLETING STEP 4, IF THE SYSTEM DOES NOT MOVE TO THE SUPPLEMENTAL QUESTION SCREEN (STEP 5) - PLEASE RE-TRY REGISTRATION. IT IS BEST TO REGISTER ON A LAPTOP OR DESKTOP. WE HAVE FOUND THAT SAFARI IN IPADS AND IPHONES CAN BE BUGGY.

After clicking on your division choice "begin registration" button from the main registration page, here are the steps to follow:

1 SIGN-IN | CREATE ACCOUNT

If you are a returning 2012 WESA member, or are on our email list - you will have to sign in to the system. Your sign-in email is the email address we have on file for you (the address your WESA emails are delivered to). If you have accessed the system before, and know your password, go ahead and sign-in and jump to step 4. SEE STEP 2 to create or reset your member password.

If you are new to WESA, did not play last year or are not on our mailing list, click the "create your account" button, follow the on-screen instructions to obtain a password, sign-in and skip to step 4.

PARTICIPANT INFORMATION

This part of the sign-up process is built into the back-end of the system and asks the most basic questions that MOST leagues would require. WESA does not necessarily need all this information, but it is a requirement to continue the sign-up process. Please see below if you have any questions about particular fields in this form.

Participant Information

How This Information Will Be Used: the information you provide will be kept on our secure servers and NEVER shared with any third party outside of this organization and the company that hosts this website. Your personal information will only be viewed by members and technical personnel with the appropriate clearance and password. If you do NOT want certain personal information to be viewable online, choose the "Private" selection next to this information.

Remind me of: Games Practices
if checked, you will receive a reminder email the day before each event your teams are involved. Grayed options indicate that it is club policy that all members receive reminders for that event type.
Fields marked with an (*) are required for registration.
1. The dropdown menu can be used to indicate how you want the information to be used. "Private" means no one other than club administrators can view the information. "Roster" indicates that this information will only be displayed on rosters according to the league policy (password protected) set for that team. For team managers, coaches and adult players, you can choose to make information available to the general "Public" on rosters team home page and the Team Contacts page.
2. You can optionally receive club news items and schedule change notifications via text messages to your cell phone. Use the dropdown list to choose your cell phone service provider if you wish to receive text messages.

IMPORTANT:

You have 3 options for your address, phone numbers and email address: "Public," "Roster" and "Private."

ROSTER: Will display your information to your team-mates and all coaches only if they are LOGGED IN to the WESA site.

PUBLIC: Same as ROSTER - as a system over-ride will not allow any personal information to be displayed to the general public.

PRIVATE: Database use only - can only be seen by certain commission members. Please note: your coach will receive your phone number regardless of your choice here.

CELL PHONE PROVIDER - If you choose your carrier, the system will text message you (email to sms) notifications of game cancellations and changes in your schedule. WESA is not responsible for any charge (if any) incurred by your individual carriers.

EMAIL - if you'd like to change your email address, do it here. Please note, this will become your new login ID.

You may choose not to receive emails from WESA. If you choose this option, however, you will not receive game cancellation notifications or rescheduling details. You will also not receive important registration information, or anything sent out by WESA.

PASSWORD - Change your password here if you'd like to do so.

ID - Ignore this Field.

REMIC ME OF - The system will send you an email (and text - if you chose that option above) a day or 2 before your games to remind you. You may check "practices," but currently practices are not scheduled in the system.

Press Submit and move to the next screen - you can come back and change any of these settings at any time, by accessing the "edit my account" button found in the left sidebar of the WESA.net homepage.

If the supplemental questions screen does not come up for you after hitting submit - you have NOT completed registration. Please log out, and try again using a laptop or desktop computer. Google chrome seems to be the best choice for those rare individuals who are having this issue.

WESA SUPPLEMENTAL QUESTIONS

This part of the sign-up process provides WESA with information that we need in addition to the information you provided in the "participant information" section of sign-up. Most questions are self-explanatory - and should a change be required (such as jersey size, for example) we can modify the information at the Welcome Party when you make payment. Please note, some fields are mandatory.
