

## Welcome to the 2002 Season!

### *From the Commissioner*

On behalf of the Commission, allow me to welcome you to the 2002 WESA season! Your commission has been busy preparing for the season and it appears everything is a go.

We had some changes in our team sponsors this year: Global Beat, Royal and Fox & Firkin did not return, but league sponsors **TD Canada Trust, Maxell** and **Moonbeans** moved into their spots.

We have 12 teams again this year, and are still in the process of recruiting league sponsors. A new league sponsor this year is **SANDS (Best Western) hotel and Checkers Pub**. Welcome aboard!

Now with most of the organizing out of the way, it's time to jump into our new jerseys, stand ready at the plate and hit the ball! Let's play and have a good time.

Enjoy your season everyone. A special 'thank you' to all commission members for their hard work to date.

Commissioner 2002

### *Shawn Lervold, vice-commissioner 2002*

I would like to take this opportunity to welcome all and returning members this year. This year's commission is dedicated to serving its members, and open to suggestions and any input. I would like to add a 'thank you' to last year's commission and Pacific Cup Committee for leaving us in great shape this upcoming season. We are looking forward to having a great 2002 tournament and would like to invite anyone wishing to volunteer for this event (non-softball players welcome) to contact me. I look forward to what promises to be another great year in WESA.

### *Janine Davies, membership chair 2002*

Congratulations to all players on your draft this past March! I hope that everyone has settled into their new teams and has had the opportunity to meet, greet and get comfortable with each other's skill levels. I am happy to say that this is a banner year for women in the league 23 at present - and if my suspicions are correct the membership will continue to grow with more female representation. We currently have 144 members playing in the league and have room for 12 more in the regular season. We are still accepting applications. As always many members are not returning so I would like to take this opportunity to welcome all returning players and encourage all new members to engage in all of our social events. I hope that this season's events will keep you coming back year after year.

### *Jason Dean, special events 2002*

A big, fun "HELLO" to all our WESA members! It's good to see so many of you returning for another fun season and many new players, too.

Starting with the uniform pick-up, meet and greet party at Checkers on April 28th, to Opening Day and throughout the year, I hope to have many fun events (that you have come to expect) to keep the fun level up to Sydney standards: The Gong Show, Titts & Mitts, and Miss WESA pageant to name a few. Should prove loads of laughs for everyone!

Look for a new wrinkle at the Titts & Mitts game this year!

I hope all you team managers drafted teams with at least one person to be the HOT Miss WESA participant!

I look forward to seeing you all soon, good luck to everyone, let's have fun in 2002!

## *Treasurer's Report* *Brad Allen*

We have entered the upcoming season in good financial shape allowing us to purchase a few more items which are in bad disrepair.

With that said, we realize the prudent way in which we must run our finances, and your commission will endeavor to do that.

I must take this opportunity to thank my predecessor, Dale Murray who kept the books in great shape. I look forward to meeting you at the pre-jitters party and best wishes for a fun and exciting softball season!!
