Commissioners Final Pitch

It is my hope that everyone had a great time this season, I know I did. I want to once again thank the incredible group that I worked with this year.

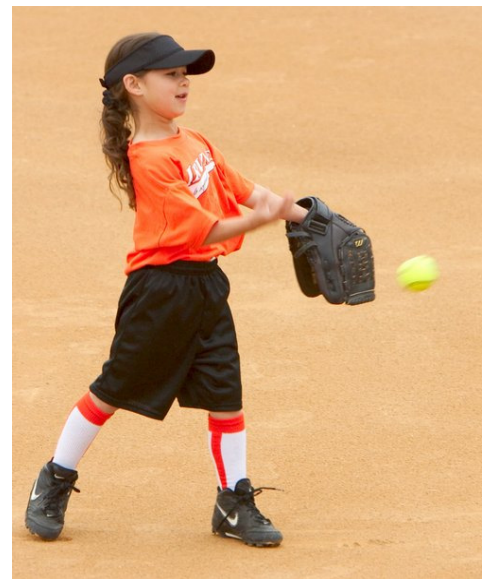

The Commission has been a pleasure to serve on because of the people who held the positions. Thank You!!! To the Coaches of the league, a sincere Thanks for the great job you all did. Participating is one thing but to lead the teams as you did takes time, commitment and most of all patience.

To our Sponsors, we could not do this with out you. WESA members please try to support these businesses whenever you can.

I am looking forward to our 30th Anniversary year and the special memories it will hold. All members will receive an email blast as your official notice of the Fall AGM. It will be held in early October.

Have a great Winter and see you next season.

Membership at the Plate

I just wanted to pass on a note of gratitude to all of WESA's membership and especially the coaches for this season for being so great to work with. My first year on the Commission has been really rewarding and I've enjoyed getting to know so many more members of the league. As the Membership Commissioner, I asked to be the one to share some special news with you as well.

WESA was approached earlier in the year by the East Coast Rainbow Softball Association. This is a new gay/lesbian league that's starting up in Halifax. Their organizers were so impressed by what WESA is able to do here that they asked to pattern their league after ours. As a Commission, we thought that was a great testament to all of you and what you're able to do together for each other and for the community. Imitation is the highest form of flattery!

To reflect our similar mandates and in a show of respect, the WESA Commission signed a declaration on July 17th naming the East Coast Rainbow Softball Association as the Sister League of WESA. We thought it was important for our members to know how strong WESA is and that other cities are watching what we do here in Vancouver!

It's just one more reason I'm proud to be a member of WESA, and I hope all of you feel as proud as I do. And next year (WESA's 30th!) is undoubtedly going to be a season worth being part of. I can't wait to see all of you again at the registration events. Bring a friend next year - WESA has room to grow!

Batting Average Definition

A batting average is computed by dividing the total number of hits by the number of at bats minus walks and sacrifices.

$$\mathbf{BA = (1B+2B+3B+HR) / (AB-BB-SF)}$$

Slugging Average Definition

A slugging average is computed by dividing the total number of bases on hits by the number of at bats minus walks and sacrifices.

$$\mathbf{SA = ((1B*1)+(2B*2)+(3B*3)+(HR*4)) / (AB-BB-SF)}$$

On Base Definition

On base percentage is used to gauge how often a player safely reaches base. It is computed by adding the total number of hits and walks, then dividing by the total number of at bats.

$$\mathbf{OB = (1B+2B+3B+HR+BB) / AB}$$

Special Events – 7th Inning Stretch

Once again it was another great year for Special Events. The year started off well with free hotdogs and pop on Opening Day for all players. As always, this year's WESA Pageant was a tremendous success. A big congratulations to Miss WESA 2007, Miss F212 and runners up, Miss PumpJack and Mr. Fountainhead. I also want to congratulate and thank all the contestants for the time and effort they put into their performances. It was an amazing show! Tickets sales were well over \$5,000 due mostly to team sales. Congrats to Fountainhead for selling the most tickets: \$440 worth. Also, a big thanks to Sydney Malcolm for all his help as backstage manager for the night!

WESA's charity this season was the Generations Project which assists both gay seniors and gay youth. WESA will be donating partial proceeds of the net profits of the WESA Pageant to the Generations Project this Fall.

The Pride challenge softball games held at Stratchona Park were a lot of fun again this year. Thanks to everyone who came out to play. And yes, this year WESA had a Pride Parade Float! Thanks to everyone who helped with the decorating and marching: Ruby, Yves, Tim, Kevin, Glen, Jeff, Michael, Fraser, Sydney, and to Art for cooking us breakfast!

This was my third and last year as Special Events. It has certainly been a rewarding experience. Thanks to everyone in the league who supported Special Events and to the Commission for the last three years. It was great working with you, and fun!

Have a great Fall everyone. We'll see you in the Spring. And best wishes to the new Special Events Coordinator. You'll have a blast!

Cheers,

Pat King

Rules and Regulations Final Out

It seems that each year, when I sit down to write in the year end newsletter I always repeat it... "what a great year".

This has been the end of my 4th year as Rules and Regulations Commission and I look forward to return next year for another fun filled year.

It was great to be able to hold the year end tournament at Riverway, truly a great facility to wrap up the season. Now, if we can only find a way to reduce the need for Ambulances...

I want to give a huge thank you to all the great people who have volunteered and kept score during the summer. It is only with their help, that I could still me standing by years end.

So a big girl hug to: Don Parker, Cliff Thorbes, Darcy Peterson, Pat King, Hector Rainville, Tim Beaulieu, Doug Philip, and Sydney Malcolm.

To my fellow Commission members, it has truly been an honour to work with you.

I can honestly say, right or wrong, good or bad, positive or negative... that in every decision and action that the Commission has made, has always been made with the best interest of WESA and it's members.

I have lots of ideas and work ahead for next year so I hope to see you all back for another great year of ball, friends and good times.

Cheers,

Scott "Bubble" Fullerton

Vice Commissioner's Slide Home

I'd like to thank all the WESA players that participated in Pac Cup 2007 and helped make it a big success. Having 8 Vancouver teams in the tournament is the foundation needed for how the annual tournament can grow. It has helped show that Vancouver is a wonderful city to have a softball tournament in over the Labour Day weekend.

Congratulations to Vancouver Hellfish for winning the C Division, and to Vancouver F212 for winning the D Division.

It's been my first year on the commission and I'd like to thank all the other commission members and coaches for their dedication to the league and for making my first year on the commission a very pleasant one.

Thanks to you all for making our league strong and a welcome place to be both on and off the field.

Tim Beaulieu
Vice Commissioner 2007
