Miss Vancouverdowntownrentals.com Crowned

Celebrities - On Saturday, June 12th, WESA held the 23rd annual Miss WESA Pageant, a fabulous evening of music, choreography, spirit gum, and dazzling contestants!

The incomparable Jackie A-Go-Go played "hostess with the mostess" to a sold-out crowd. Sporting a mile-high bouffant and Pucci-print frock, she welcomed the audience with the sassy *Jackie is a Tramp?*

Contestants regaled the laughing, cheering crowd with acts performed to the music of Cher, La Roux, The Ting Tings, Dolly Parton and many other favourites.

During the intermission, the reigning Miss WESA, Ho-lotta Johnson, performed her step-down routine to Pink's *Get the Party Started*.

The winner and Miss WESA 2010, Miss Vancouverdowntownrentals.com, Gina Telia, brought her own beefcake and performed a magnificently choreographed routine to Lady Gaga's *Telephone*.

The 1st runner-up was Miss Vancity, Gaye-Ping Ho and the 2nd runner-up was Mr. Celebrities, Dick Fondal.

The Miss WESA Pageant was started in 1987 by Gregg Welliver, Mark Sutherland and Art Gullett. Since then, many local charities have benefited from the \$80,000+ that has been raised by this annual event, one of the gay community's most anticipated and celebrated!

WESA Books Field at Strathcona Park

Recently, WESA took the bold step of booking Strathcona Park's north-west field, located at the corner of Prior Street and Hawks Avenue.

Initially, only Fridays in June were booked to host make-up games and to gauge the membership's feelings towards the new field. However, initial feedback was positive, so additional dates in July and August were booked.

"Having a second field allows us to make up some games more quickly - but there is a far bigger picture in play", said WESA Commissioner, Scott Fullerton. "So, the goal is to get our hands on a second field - thus allowing us to add more teams... or at the very least, perhaps not use Brockton for weekday games so we don't have the sun issue."

"It will take a bit of work this year, to arrange for equipment to get from Brockton to Strathcona but that is nothing we can not handle."

Having access to a field at Strathcona Park provides breathing room in the League's tight Brockton schedule, and offers the opportunity to expand the League in the future. Furthermore, Strathcona, which has free parking, provides relief to the membership which is paying higher parking fees in Stanley Park and often struggles to get into the Park during special events.

"I would imagine that this will be a long process...", said Scott, "...but I wanted to let you know the Commission is working hard."

WESA Sister Teams are Back!

For the 2010 season, WESA has brought back Sister Teams. Sister Teams foster the sense of fellowship WESA is known for and are a great way to meet other people in the League. So, get out there and cheer for your sister team, patronize each other's namesakes and ask your coach about organizing a Sister Team event!

Patsy's 3rd Base

Dear Patsy,

I'm confused. I'm a rookie to WESA this year and my coach advised me that I'm a better catcher than a pitcher, but my 4-month boyfriend says otherwise. Help!

Signed,

Catcher?

Dear Catcher,

It's okay to be a confused rookie in WESA - every veteran WESA player is flying over you like a vulture in heat (keep your eyes open for a sleek falcon - that'll be me).

Okay, now for your "problem". It's almost a universal rule that rookies play catcher...unless your coach is Vancity's Pat King, in which case the entire team will take turns pitching.

Take care Catcher, and enjoy the view from home plate. Who knows...perhaps you'll become the versatile rookie every WESA coach hopes for!

Love,

Patsy

1B	1 Base Hit	SF	Sacrifice Fly
RBI	Runs Batted In	BA	Batting Average
2B	2 Base Hit	SA	Slugging Average
3B	3 Base Hit	OB	On Base Percentage

Batting Average Definition:

A batting average is computed by dividing the total number of hits by the number of at bats minus walks and sacrifices.

$$BA = (1B+2B+3B+HR) / (AB-BB-SF)$$

Slugging Average Definition:

A slugging average is computed by dividing the total number of bases on hits by the number of at bats minus walks and sacrifices.

$$SA = ((1B*1) + (2B*2) + (3B*3) + (HR*4)) / (AB-BB-SF)$$

On Base Definition:

On base percentage is used to gauge how often a player safely reaches base. It is computed by adding the total number of hits and walks, then dividing by the total number of at bats. $OB = (1B+2B+3B+HR+BB) / AB$
