From the Commissioner...

The 2010 season has come to an end...another great year of softball, parties, cheering and playing!

WESA is truly a great organization – the oldest gay sporting organization in BC. I truly hope that everyone enjoyed their season, and will be back again next year...perhaps even bringing a friend to join in the fun.

WESA is looking to the future, by adding additional fields to ensure that everyone who wants to play softball is a safe, supportive and friendly environment – free to be themselves – will be able to.

I would like to thank the hard working 2010 Commission – who met all year round to ensure that everything was in place and ready to go throughout the season.

There are also endless supporters and volunteers who've helped out in many ways – to you I give a great big THANK YOU! From selling 50/50 tickets, to representing WESA in the Pride Parade, to scoring game and coaching teams – the effort was endless, and doesn't go unnoticed.

Thank you all for a great season...see you next year!

From Membership...

What a fantastic two years it has been being part of the Commission for WESA. We are truly fortunate to have such dedicated volunteers that work year round to ensure the enjoyment for all of our WESA members. I can't say enough about all the hard work the coaches put forth year after year from the draft at the start of the season to the year-end playoffs.

I will be taking a break from the Commission to focus on other events in my life. I am excited to see some new faces running for the executive. It is always great to have some outside ideas and I look forward to supporting the new Membership Coordinator during the off season to prepare for our 33rd Season!

For the second year in row we set a new record for membership. We had a total of 193 players during the 2010 season and still more people on a waiting list. I am excited about the potential new growth for our league with the addition of additional diamond at Strathcona. The league is definitely in a time of change, so please come out to our AGM this fall to help us with the direction the league. Your opinion matters!

Congratulations to all of the award winners and I hope everyone has a safe and enjoyable off-season. I look forward to seeing you in the spring.

Regards,

Ryan J. Bester

From Rules & Regulation...

So there it is...the 2010 season at a close and my 2nd year on the commission being wrapped up and reviewed. A lot of work and preparation goes into the season all year round and without some key people we would never have a successful operation.

Thank you to those who give their time freely to make this organization what it is. Because the city does zero maintenance we are grateful to Scooter for his "secret" maintenance of Brockton, the playoff fields at Strathcona and the fields of Gordon Park for Pac Cup. This service is so much appreciated. To Don Parker and the team of scorekeepers who put in so much time keeping our game scores...THANK YOU. And to the head coaches and assistant coaches, thank you...because we wouldn't exist without your leadership and dedication to the members of this association that keeps improving year after year. And, of course, to the rest of the commission...thanks for the endless number of hours you all put in and for all the hats you wear. WESA is better because of all our efforts...including you, the members.

(Continued page 3)

From Rules & Regulation (continued)...

(Continued from page 2)

We continually make every effort to improve the product that we offer to our membership and I encourage everyone to offer their feedback to the commission so that we can continue to serve up one of the best leagues in the city. With our plans to use both Brockton and Strathcona next year we will have even more options. Here's keeping our fingers crossed that everything falls into place.

And I can't forget to mention NAGAAA and what an incredible year it was for the teams that represented WESA in Columbus!

236 Games played plus Playoffs...only 2 rainouts...14 Dozen Balls...193 Members...20 new base straps...8 new bats in 2 years...36 cans of line paint...thousands of dollars in parking fees, hours of phone conversations with Parks and Rec...and too many volunteer hours to count.

Hours of fun in the park and afterball parties at PJ's, Numbers, Junction etc. All add up to One great season of ball – PRICELESS!

THANK YOU EVERYONE!!!

Rob Duncan

From Special Events...

First and foremost, All i can say is WOW! However since this is my sign off for the moment, I feel there are some things that should be shared.

All these events this year from the Draft Party to the Parade have been an incredibly positive experience for me. All the peeps that came out and gave me a hand - I thank you all - you made it such an amazing experience.

I must thank two very special people... a huge shout out to Gio Branco... sadly you are not with the Vancouver crowd anymore. I will not forget all your hard work and tireless support.... and how copious amounts of wine and pug dogs gave me the confidence to try new ideas and explore new venues. Then there is Mister Sheldon Gibson. It was amazing how you were able to pull the creativity out of your head on such short notice - you saved my skin many a times! Thank you.

As for the events. Who can forget Aaron Farr and his show stopping number. Or the WESA vs Mabel league game. This season has seen a lot of smiling faces.

As a rookie in the role of Events Co-ordinator, it was an intense learning curve, but I had a supportive Commission behind me. Scott, thank you for your tallness. Adam, thank you for your smart-ass wit. Sean, thank you for your promptness and precision secretarial skills. Ken, thank you for having a 3 letter name - easier to remember. Rob, thank you for your determination and kick-ass name. Ryan, I don't remember you being around much, but by not being around, you made a perfect scapegoat! All of you guys made this the easiest group I have ever worked with.

I step down now, but promise to return again. With the experience this year, I'm just getting started. To the next at bat: You have a lot of support. Best of luck – you'll do just fine!

Batting Average Definition:

A batting average is computed by dividing the total number of hits by the number of at bats minus walks and sacrifices.

$$BA = (1B+2B+3B+HR) / (AB-BB-SF)$$

Slugging Average Definition:

A slugging average is computed by dividing the total number of bases on hits by the number of at bats minus walks and sacrifices.

$$SA = ((1B*1) + (2B*2) + (3B*3) + (HR*4)) / (AB-BB-SF)$$

On Base Definition:

On base percentage is used to gauge how often a player safely reaches base. It is computed by adding the total number of hits and walks, then dividing by the total number of at bats. $OB = (1B+2B+3B+HR+BB) / AB$
