

Online Sign-Up Guide

A few problems have been reported where the system will not move to the second form after filling out the 'personal information profile' (step 5 - 6 of sign-up). This seems to be most prevalent on mobile devices and occasionally with Safari on Mac computers. If this happens, **please re-try registering** using a desktop or laptop computer. Google Chrome seems to be the most reliable browser if you are having difficulties.

PLEASE NOTE: If you attempt to sign up for both divisions, the system will flag the duplicate and de-register the second sign-up. IF YOU INADVERTENTLY SIGN-UP FOR THE WRONG DIVISION, OR CHANGE YOUR MIND - please contact Membership@wesa.net to correct the problem.
