

Paul VI Girls' Lacrosse

Dear Players,

We are hard at work on a 2017 media guide for girls' lacrosse. The media guide is important for fundraising and to raise the visibility of the girls' lacrosse program within the school and community. Please read the attached letter and order form – both are available under “Forms” on <http://www.paulvi.net/girlslacrosse>. The money that we raise will be used help to defray costs for: travel expenses, in-season tournaments; equipment and uniforms; team dinners and individual end-of-season awards, and other team activities that benefit PVI student-athletes and the PVI community.

Please note that fundraising is an effort on your part to help the girls' lacrosse program. It has nothing to do with playing time. The expectation is that every player will raise \$250 in ads/donations.

Please keep the following points in mind as you head out to request ads/donations:

- Target businesses that have not already donated money to PVI.
- Go to people you know – it is easier to deal with acquaintances and friends.
- Be gracious and appreciative!
- Remember that the deadline for advertisements/messages is March 10, 2017.

Thanks and feel free to contact me if you have any questions.

Go Panthers!!

Alex Whitworth (PVI '03)
