

The Connecticut Section PGA announced that Willow Brook Golf Course in South Windsor, Conn., has been named the 2014 recipient of the Walter Lowell Public Golf Course Distinguished Service Award, as the model public golf course serving the game of golf in Connecticut and Western Massachusetts. The award was inaugurated in 2001 in honor of Canton Public Golf Course for the standards it set towards a public course's responsibility to its community to provide playing opportunities for all those who want to play and learn the game.

JPE has selected this course for the Terry P. Ward Memorial Scholarship Tournament as a testament to Terry and his kind and gentle ways. Willowbrook is a course that is fun and playable for all types of golfers. Whether male or female, young or old, seasoned golfer or new at the game, Willowbrook will provide all those who participate a great tournament experience.

Please join us on May 18th. All proceeds will benefit the Terry P. Ward Memorial Scholarship Fund. We look forward to enjoying the day with you!
