Filed availability is main issue when scheduling tournaments

Don't like how they have so many hoops to jump thru to change game times

MLA looking into monetary fee for not showing for games they are scheduled for

SUPPLIES

Going to have coaching boxes ready by January

Club going to appoint a **EQUIPMENT POSITION** for the club

Going to inventory distribute and track all clubs equipment

U11 Boys coach felt his team got the short end of the stick when it came to scheduling field locations games and equipment

Equipment rental program very successful
