- ★ **How many volunteer credits are required?** *Each family is required to complete 5 volunteer credits. If you have more than one child playing in the association you still only owe 5 credits.*
- ★ **I looked on the volunteering page and no volunteer assignments were listed. What does that mean?** *If you accessed the page and no assignments show up, that means that the opportunities recently posted have been filled or completed. New volunteer opportunities are posted regularly as they become available, and are announced via email. You can also see your Team Manager to see if they have any team opportunities.*
- ★ **I am concerned that I won’t be able to fulfill my volunteer credits because there aren’t any volunteer opportunities available. What should I do?** *New volunteer opportunities are posted regularly as they become available throughout the season. The vast majority of volunteer assignments will occur during the Billings hosted events. Sufficient opportunities will be made available to all families to complete their required volunteer credits.*

- ★ **Who do I contact if I have more questions about volunteer credits?** *Send an email to JoLana Zimmerman, Volunteer Coordinator.*
- ★ **As a coach/team manager do I have to fulfill any volunteer credits?** *No, as a team manager or coach (or other season volunteer) your volunteer requirements are waived due to the time and effort the position requires. Thank you for your dedication to making BSL a success!*
