

February 21, 2012 AJFC Board Meeting

Meeting called to order at 8:15 pm.

Attendance conducted by John King.

President's report: Spoke about some old business from last month. Nothing new to report.

Commissioners Report: The Empire West coach's picnic will be held on July 11, 2012. The board voted on the location of this event and chose Alden to have the picnic. Scott Carlson chose Wayne Lavis as his assistant commissioner.

Coordinators report: Kristin Stanley is in the process of locating coaches clinics for all of the cheerleading coaches. However, she informed the board that there are some guidelines for cheerleading coaches this year. Cheerleading coaches at games and competition must not wear revealing clothing. No coaches should wear "short shorts" and their BOOBS cannot hang out of their clothing (yes I said it Kristin!).

Treasures Report: \$24,208.24 is the bank balance.

Secretary's Report: Motion was made by John King to accept last months minutes and skip the reading of the minutes. Accepted. No Secretary in this position yet.

SGT At Arms: Voting eligibility discussed.

Committee Reports:

Candy Sales: Tammy Lavis made a motion to research other companies that sell candy. The board agreed to have Tammy conduct further research and bring the information back to the board.

Football Equipment: Three outstanding players still have football equipment from the 2011 season. All three are from the JV football team and Mike Snyder will be contacted in regards to these players.

Reconditioning of football equipment process to begin shortly. Dan Hughes asked James Foster if he had began any of the reconditioning process and James advised he was working on it. Removal of the football driving sleds from the Primary school was brought up again. Scott Carlson advised that he and Wayne Lavis will have the sleds removed from the grounds.

New Business:

Voting for all head coaches positions was held and the new head coaches for the 2012 season is as follows:

Pee Wee Football: John Hagelberger (Hagelberger 19, Gadd 13)

Pee Wee Cheerleading: Teresa Butler-Roberts (Jolene Fruehauf – co coach)

Freshmen Football: Jeff Kelchlin (Kelchlin 17, Foster 17)

Freshmen Cheerleading: Valerie Ess

JV Football: Mike Snyder

JV Cheerleading: Kim King (King 18, Teresa 9)

Field Issue: Andrea Kersten was present at the meeting and advised that Alden Central schools are still supporting AFJC for practice and potential game fields. Adam Stoltman will be meeting with John King to discuss these options for the upcoming season. The board requested that Scott Carlson speak to Empire West during his commissioners meeting in regards to potential dates of games.

Voting for the Secretary position was held and Andrea Kersten is the new AJFC Secretary.

Marcie Mason requested to make a motion about the resignation of her board seat in AJFC. She referenced an email she received from Kim King in regards to changing of By-Laws on her behalf without the boards' knowledge. After a lengthy discussion, John King made a motion to table this resignation and discussion to an indefinite date and time.

Bob Meyer requested to speak during the tallying of votes to address the room about the new filed situation. First of all, all football equipment needs to be removed from the Primary school as soon as possible. We need to bend over backwards to accommodate the school since we need their assistance. He also spoke of the modified program and the board of education meeting from the week prior. Modified programs are being cut by more and more school systems. AJFC may become the "Modified" program for the high school if this happens. Also, the Alden recreational program is up and running which will assist in the foundation of sports for Alden schools.

New board member voting took place for the two open board seats. Nominees are: Andrea Kersten, Kim Diebel, Wayne Lavis, Teresa Servos, Greg Kidney, and Wendy Frost.

Andrea Kersten and Wayne Lavis are the two new AJFC board members. Andrea has also agreed to take over the public relations committee. Congratulations!

Registration is coming up in the month of April. We will have one veteran sign up and then two general registration dates to take place in April 2012. Kelly Cybulski advised that we needed to contact the Town Hall Clerk to have the Senior Center as the registration site.

Unfinished Business:

There are still three players from the JV Football team with outstanding equipment issues. Two of the players were identified (don't worry Mike, I won't mention one is Levi) and Mike Snyder will be contacted. Chuck Phillips has all of the information for outstanding players equipment.

The Coca Cola deal was discussed again. Coca Cola has give the \$600 "kickback" to AJFC with the understanding that AJFC will not sell their product for a profit. Dan Hughes spoke about multiple organizations in the area that could benefit from our surplus.
